ARRIVAL DAY: Arrive in Bari / Travel to Alberobello

A VBT representative will greet you at the Bari airport to start your adventure off right. A complimentary car service will whisk you to your centrally located hotel in Alberobello. From here, you are perfectly positioned to explore this charming city at your leisure.

DAY 1: VBT Bicycling Vacation begins / Warm-up ride / Welcome reception and dinner

After an included breakfast, you will meet our local expert guide at your trullo reception and stretch your legs on a guided walk through this unique city. Learn about trulli design and why this local style of architecture has helped this setting be recognized as a UNESCO World Heritage site.

Transportation is provided to take you to your first *masseria*, where you will stay for the next three days. Explore the peaceful surroundings on a self-guided walk, enjoy the amenities of this country resort, or maybe join in an optional cooking class organized by the *masseria*.

Masseria is the local name for large farms, which were fortified around the 16th century to ward off attacks by pirates and brigands. *Masserie* feature high boundary walls, angular towers, drawbridges, and watchtowers. Families worked and lived inside these walls with their own church, oil mill, and oven for baking bread. These farms also housed cisterns for water, storage rooms for tools and hay, stables, and everything else needed for day-to-day life. These days they are elegant country resorts, most of which grow produce and bottle their own olive oil.

This afternoon take a short warm-up ride along quiet country roads, past 800-year-old olive groves to the fishing village of Savelletri.

Later, enjoy a welcome cocktail reception on the elegant hotel patio. Dinner is at the hotel restaurant and

is prepared with local products and herbs produced on the farm.

Important note: For those tours beginning June 11 and June 14, 2024, an alternate itinerary will be offered because the 2024 G7 summit is taking place in the region. For more information visit vbt.com/contact-us/.

DAY 2: Olive oil tasting / Lunch at Il Frantoio farm

This morning, you will ride along the sea for a few miles, before looping inland to Masseria Il Frantoio, another award-winning country hotel famous for the quality of its food. The estate extends over 150 acres (61 hectares) and includes a “secret garden” planted with orange and lemon trees, as well as a well-preserved underground olive oil mill. Your hosts, Armando and Rosalba, have collected many interesting odds and ends over the years, from ancient dresses and hats to precious books and a gramophone. Each piece has its own story.

Your lunch at Il Frantoio is prepared using produce grown on the farm and is truly an experience for all of your senses. You'll also have the opportunity to try a sampling of five different extra-virgin oils that Rosalba uses to flavor her focaccia, pickles, preserves, and delicious *laganari* pasta.

Later, you can opt to relax or continue cycling to the hotel along the ancient Traian road. An additional moderate ride option takes you up to the whitewashed city of Ostuni. End your day with a shuttle to the nearby small city of Savelletri on the sea. You are free to traverse the cozy pedestrian area to choose a restaurant for your dinner.

DAY 3: Cycle to Egnatia and Monopoli

After breakfast, you'll cycle along the coast on quiet roads, completely surrounded by ancient olive trees. Puglia ranks first in Italy in the production of olive oil, wine, and hay, and second for almonds. You'll stop on the way to explore the archaeological site of Egnatia, an ancient Messapican (and later Roman) coastal town of great economic and military importance in the 10th century. The museum on the grounds includes precious finds such as sculptures, jewels, funeral equipment, and *gnathia*, which is the distinctive local pottery that usually features figurative painting on the upper half and ornamental designs on the lower portion.

Later, continue to Monopoli, where you'll have the chance to visit the beautiful cathedral and old harbor. You'll have free time to stroll and eat lunch on your own. Walk the maze of pedestrian streets in Monopoli's old city center and see how they make the city so intimate.

Shuttle or ride back along the sea to your *masseria* and enjoy the amenities. Dinner is included at the *Masseria* restaurant.

Today's Ride Choices

Morning: Hotel to Monopoli — 27 km (17 miles)

Afternoon: Monopoli to Hotel — 14 km (9 miles) OR Monopoli to Hotel PLUS (moderate) — 29 km (18 miles)

What to Expect:

The coastal terrain is flat. An additional ride option provides a moderate trek inland from Monopoli on a beautiful, long, and gradual uphill, followed by a rolling, hilly road and a very scenic downhill to our *masseria*. To explore Monopoli, you can follow a walk created by your trip leaders and recorded in RWGPS.

Cumulative Distance Range: 14 – 56 km (9 – 35 miles)

Included Meals: Breakfast, Dinner

DAY 4: Acaya / Cycle along the coast of Salento

Leave Savelletri and take a morning shuttle farther south to embark on another day of your stunning Puglia bike ride toward Salento. You'll begin at the walled city of Acaya and ride through the ancient city's archway on country roads that are free from traffic and marked as bike paths. You'll finish your morning ride at the rugged coast, where you will enjoy the spectacular view of Torre dell'Orso village, rising steeply from the sea and sandy bay. The village is a good spot to buy some lunch before either hitting the road again or taking a shuttle to the hotel.

The afternoon offers more fun cycling on quiet country roads and along the small Alimini Lakes as you head to your next *masseria*.

After settling into your cozy accommodations, enjoy the hotel amenities or simply relax with a good book. Dinner is at a nearby *masseria* tonight.

Morning: Acaya to Torre dell'Orso — 20 km (12 miles)

Afternoon: Torre dell'Orso to Hotel — 26 km (16 miles)

What to Expect:

Today may offer an additional independent ride for experienced cyclists. Ask your trip leader for details.

DAY 5: Cycle to Otranto / Picnic by an organic farm / Discover Otranto

Bike from your hotel on country roads through sleepy villages, where a stop in a colorful local bar for an Italian coffee can be a wonderful diversion. Your route is shaded by big olive trees and towering oaks as you head toward the coast. By lunch, you'll reach an organic farm near the sea, where the friendly owners, Antonio and Marina, will open their private garden to host a picnic lunch prepared by your trip leaders.

After lunch, discover Otranto, a picturesque town on the Italian coast. Founded by the Greeks, Otranto is surrounded by great ramparts and walls. Starting in late spring, its atmosphere is enlivened by local craft studios selling clay whistles, baskets, hand-dyed fabric, and ceramics. The city's highlight is Otranto Cathedral's enormous, 8,611-square-foot (800-square-meter) floor mosaic representing the Tree of Life, which was created by a monk in 1163. A visit to Otranto is also your opportunity to switch sports and take a dip in the sea.

Today's ride ends on flat country roads, where you'll catch sight of menhirs and dolmens—ancient monoliths and tombs—before returning to your hotel. This evening, you can dine on your own at the hotel or shuttle to Otranto for dinner at one of the many outdoor cafés or restaurants.

Today's Ride Choices

An optional additional ride is an easy-to-moderate loop with undulating terrain starting from Otranto.

DAY 6: Discover the eastern tip of Italy

After breakfast, you'll set out on one of the best rides in all of Italy. Starting in the interior of Salento, you'll follow gentle, rural pathways through little villages to the coastal town of Castro Marina. From there, you'll continue to Santa Cesarea, a quiet town set on the edge of the Adriatic Sea, where you can enjoy lunch on your own in one of the many cozy cafés.

Fortified, you'll follow the cliffs to the town of Porto Badisco, famous for its azure waters and prehistoric Cervi Grottoes, before continuing to Cape Otranto, the easternmost tip of Italy. You'll cycle back to the hotel in time to freshen up before an extraordinary farewell dinner with Puglia wines and specialties at your *masseria* restaurant.

Today's Ride Choices

Morning: Hotel to Santa Cesarea Terme — 25 km (15 miles)

Afternoon: Santa Cesarea Terme to Hotel — 14 km (9 miles) OR Santa Cesarea Terme to Hotel PLUS (moderate) — 18 km (11 miles)

What to Expect:

This mostly coastal ride is probably the most panoramic bike ride of the week. There is one major uphill

after lunch, which can be skipped with a short support vehicle shuttle. The longer afternoon ride has more coastal riding along a road with a bit more traffic and is rated as moderate.

Today may offer an additional independent ride for experienced cyclists. Ask your trip leader for details.

DAY 7: Travel to Lecce / VBT Bicycling Vacation ends / Free time

After an included breakfast, complimentary transportation is provided by private motorcoach to the Hotel Patria Palace, an elegant and centrally located 5-star hotel, arriving at about 10:30 a.m. Lecce is a beautiful Baroque city, called “the Florence of the South” thanks to the skill with which local builders and stonemasons worked the soft, pink-tinged local stone called *pietra dorata*.

Explore Piazza Sant’Oronzo, the city’s main square and the heart of local activities for centuries. The square’s centerpiece is the Roman amphitheater. From here, narrow streets fan out into the city’s charming quarters.

The focal point of Lecce is Piazza Duomo, enclosed on three sides by the cathedral and two palaces belonging to the church. Though this is one of the largest squares in Europe, it has an intimate feel that practically invites people-watching from a local café or bakery. Your VBT city information provides useful recommendations for exploring on your own for the rest of the day including options for independent dining.

Included Meals: Breakfast

DEPARTURE DAY: Departure

After an included breakfast this morning, complimentary transportation to the Brindisi airport will be provided (an approximately 35- to 45-minute drive, depending on traffic) for your departing flight.

Included Meals: Breakfast

Accommodations

May vary depending on departure date.

Trulli e Puglia (Arrival Day)

Trulli & Puglia Resort is an exquisite accommodation built into a series of beautifully restored 500-year-old *trulli* structures. This is truly a unique and charming blend of classic regional design with all of the modern amenities, including air conditioning. The *trulli* are different from one another and spread out in the city center of Alberobello, some clustered in blocks of two or three together. The walking distance from the breakfast room and reception can be up to four minutes. American breakfast is a special treat here, prepared exclusively for VBT guests with fresh local specialties, and served in a separate central building. Our host Mimmo, a star of Alberobello, is the *trulli* resort owner and has been one of our local guides since 2003.

Masseria Torre Coccoaro Hotel (Days 1-3)

The fortified Masseria Torre Coccoaro was built in the 16th century and is known today for its watchtower and the centuries-old olive groves and carob trees that surround it. It has retained the simple and characteristic whitewashed look of old *masserie*, but this 5-star resort is a relaxing oasis of tranquility, where food is still artfully prepared from local produce grown on the property and the rooms have air conditioning. The onsite Aveda Health Club has a unique setting in a series of evocative caves. Its Jacuzzi pools are kept at different temperatures, and its *hammam* (Turkish bath) offers beauty treatments and relaxing massages. The private sandy beach with umbrellas and sunchairs is at your disposal, as is the beautifully designed swimming pool nestled among the olive trees and palms—perfect for a refreshing dip.

Masseria Montelauro (Days 4-6)

The Masseria Montelauro Farmhouse, built in 1878, was restored with full respect for its original design and architecture. Its gardens offer all the vivid colors that have traditionally adorned the countryside. You'll enjoy its modern amenities, too, including a swimming pool, which is set in the inner court surrounded by an inviting orchard, and air conditioning.

Patria Palace Hotel (Day 7)

The Patria Palace Hotel is enhanced by the Baroque scenery of the historic center of Lecce, called “the Florence of the South” for its beautiful buildings, churches, and squares. The hotel brings to life an 18th-century marquis palace. Each room is unique, personalized with original frescoes, and equipped with

modern comforts like air conditioning.
