

## Scandinavia: Denmark & Sweden

### Bike Vacation + Air Package

If you're not familiar with the Swedish Riviera, it's a thing. The sandy beaches of Torekov and Båstad have long been the summer haven of Sweden's social elite—and the shoreline drips with opulence and distinctive Swedish charm. Starting in Denmark, your local leaders will introduce you to the region's heritage in regal settings—including a visit to Helsingør, the castle said to be the setting of Shakespeare's Hamlet. Cycle easy paths through the pristine forests of Småland, returning to an ancient manor house that's been a frequent retreat of Swedish royalty for centuries. Your leaders will be delighted to introduce you to traditional Swedish folklore during a festive evening of song and dance—and of course a boisterous, and delicious, Swedish barbecue that's nothing like anything you could ever experience back home.

- Discover the bike-friendly culture of two of Scandinavia's most fascinating countries: Denmark and Sweden.
- Cycle past magnificent sea views on easy coastal routes, including the Kattegattleden bike path—Europe's Cycle Route of the Year in 2018.

## FLIGHT DAY: Depart for Your Vacation

Your vacation is about to begin! Spend your first night aloft and arrive ready for an unforgettable trip.

## ARRIVAL DAY: Arrive in Copenhagen / Pre-Tour Hotel Night: Copenhagen

Start off your first day in Copenhagen right by having a VBT representative greet you at the airport. A complimentary car service will whisk you to your centrally located hotel. From here, you are perfectly positioned to explore this charming city at your leisure.

## DAY 1: Your VBT Vacation Begins / Travel to Helsingør / Ferry to Sweden / Warm-Up Ride / Welcome Dinner

After an included breakfast, meet your VBT local guide at 8:45 a.m. in the lobby of The Square Hotel.

You'll travel with your guide to the city of Helsingør. This historic town overlooking Øresund (or Øre Sound to locals) is known in English as "Elsinore," made famous by Shakespeare as the setting of *Hamlet*. Enjoy a guided tour of the Renaissance-style Elsinore Castle, now a UNESCO World Heritage site.

Lunch is on your own before you board the ferry for a 20-minute crossing of the Øresund to the Swedish city of Helsingborg. During the ferry ride, you might sample a local favorite: "two reds and a green"—a pair of sausages and a Tuborg beer. Upon arrival in Helsingborg, meet your VBT trip leaders at the hotel for a bike-fitting and safety briefing. Afterwards, check into your room, change into your cycling gear, and begin your warm-up ride along the scenic southern coast of Sweden to the picturesque fishing village of Råå. The 2.5-mile-wide strait you're cycling beside separates Sweden from Denmark and is one of the busiest waterways in the world, linking the Baltic Sea with the North Sea and Atlantic Ocean.

Later, settle into your hotel on Helsingborg's waterfront and enjoy the charm of this coastal city, with its bustling harbor and views of Hamlet's castle across the water. This evening, get to know your fellow travelers over a sumptuous welcome dinner with your trip leaders.

## DAY 2: Cycle from Helsingborg to Skäret

Set off from Helsingborg by bike, following a scenic route along the sea. On the outskirts of town, pedal past a castle and through coastal forests, enjoying the beauty of the Kattegat—the shallow sea between Denmark and Sweden. Your morning ride continues along the scenic Kattegattleden bike path, coasting past quaint fishing villages with cozy thatch-roofed homes and boat-filled harbors. Admire stunning vistas of shoals and grassy bluffs overlooking the Kattegat. Turning inland near the town of Arild, cycle past dairy farms and small vineyards, with a picturesque windmill presiding over the gentle hills. Along the way, there are several options for lunch, perhaps at a seaside restaurant or a charming garden café.

After lunch, you may choose to shuttle or continue cycling along the lovely coastal route back to your hotel in Helsingborg. Spend the remainder of the afternoon and evening exploring Sweden's oldest town. Always a strategic city due to its location at the narrowest point of the Öresund, Helsingborg shifted from Danish to Swedish control in 1658 after the Dano-Swedish War. During World War II, an underground network known as the Elsinore Sewing Club secretly helped Jews escape Nazi persecution. Today, Helsingborg is a picturesque seaside gem known for its vibrant atmosphere and cyclist-friendly streets.

For dinner on your own this evening, you might venture out from your centrally located hotel to one of Helsingborg's many restaurants.

After lunch, either shuttle or cycle to your next hotel. Your afternoon ride at times rejoins the familiar Kattegattleden bike route. Named Europe's Cycle Route of the Year in 2018, this scenic 242-mile (390 km) path stretches from Gothenburg to Helsingborg. It was Sweden's first national bicycle route and remains an inspiration to local and visiting cyclists. Traversing Sweden's southernmost region, Skåne County, the route reveals a varied landscape of forest and open shoreline meadows. Along the coast, you'll also spin through seaside communities such as Skepparkrogen and Torekov, where you will enjoy the next two nights at your charming spa hotel.
