DAY 1: Depart from home / Fly overnight to Frankfurt
Depart home for Frankfurt, Germany. The particulars of your arrival overseas are detailed with your flight itinerary.

DAY 2: Arrive in Frankfurt and transfer to Koblenz
Upon arrival at the Frankfurt airport, claim your luggage and clear customs. If your luggage is lost, fill out a PIR form before leaving the customs area—VBT representatives are not allowed in the customs area. Make certain your VBT luggage tags are affixed to your bag so your VBT representative can identify you as you enter the arrival hall. Your VBT representative will be holding a VBT sign and will help you transfer via taxi or minibus (approximately 90 minutes) to your hotel in Koblenz. If you cannot find the VBT
representative, or have been delayed in customs because of lost luggage or another reason, please go to the airport Meeting Point and wait there for a few minutes. If nobody arrives, you may wish to telephone our transportation company, Garske Touristik, at 0261 92 24 727.

Your hotel room may not be available until 2:00 p.m. You may store your luggage with the front desk if you arrive before that time. At 4:00 p.m., meet our local guide in the hotel lobby for a 1½-hour walking tour around the historic Old Town of Koblenz. It’s a 15-minute walk to the starting point of the tour, so we recommend you leave the hotel with everything you’ll need to have dinner on your own in the Old Town at tour’s end.

Hotel: Hotel Brenner

**DAY 3: Cochem / Embark barge / VBT Bicycle Vacation begins**

At 9:00 a.m., meet a VBT representative in the hotel lobby for your transfer by coach (approximately 1 hour 40 minutes) to the city of Cochem. Please ensure that all luggage you will not need during the day today is loaded onto the luggage minibus. It will be taken directly to the barge and delivered to your cabin.

On arrival, meet one of your VBT Trip Leaders, who will acquaint you with this characteristic Mosel town beloved for its wooded hills, medieval buildings and a picturesque center with beautiful, timber-framed houses. Hike or shuttle with a local guide to Reichsburg Castle, where you enjoy a tour and spectacular views of the Mosel Valley and its vineyards. The fairy-tale castle includes seven rooms of fine furniture and objects from different periods and styles.

After your visit, walk back into town, where you may shop and eat lunch on your own before boarding the barge at 2:00 p.m. Meet the crew and your second VBT Trip Leader, then settle in before a bike-safety session and a short warm-up ride to Beilstein on quiet bike paths along the Mosel River. Reunite with your barge in Beilstein, where it will moor for the night. Gather with your travel mates for a welcome drink and toast this most rewarding way to bike Europe! Enjoy dinner on board.

Please note regarding WiFi on board the barge: Due to the nature of the barge movements, internet access is not always available. If stable internet access is critical to you, VBT recommends that you purchase your own bundle before traveling overseas.

Please note regarding Ride with GPS: There is limited WiFi on board. If you wish to use Ride with GPS on your smartphone, VBT also recommends that you download your VBT Maps & Route Notes from a WiFi zone prior to arrival on the boat. During your vacation, you will be able to follow these route notes on your smartphone with turn-by-turn voice navigation as you ride. As always, VBT also provides our traditional
printed maps and route notes during the tour.

**DAY 4: Bike to Zell / Traben-Trarbach / Cruise to Bernkastel-Kues**

Today, cruise the Mosel upstream and disembark for a reel on an easy cycling path to Zell and Traben-Trarbach. Beautifully situated on the Mosel where the river twists and turns through the hills, Zell is one of the largest wine-producing communities on the river. The beloved wine Zeller Schwarze Katze (Black Cat) is produced here with grapes from 16 different locations. Be sure to notice the sculpture on the market-square fountain depicting a snarling cat atop a wine barrel.

Next, cycle to the village of Traben-Trarbach, an architectural jewel of the German Art Nouveau movement known as Jugendstil. The surrounding woodlands and extensive vineyards add to its irresistible charm. Traben-Trarbach was once the world’s second-largest wine-trading center. At the height of its prosperity at the turn of the 20th century, the city’s wine merchants built a number of fine Art Nouveau buildings, many of which are carefully preserved and continue to operate as wineries. There’ll be time to admire a wide range of Belle Époque splendor during your visit; you’ll quickly see why the city is a favorite destination for lovers of baroque and classical architecture, too.

Rejoin your barge in Traben-Trarbach, then cruise into Bernkastel-Kues, once two small wine-making towns on either side of the Mosel before they were united in 1905. The pride of today’s dual city is the market square, with its picturesque timber-framed houses and decorative sculpted fountains, some dating to the 17th century.

Dinner is on board tonight. Afterward, the captain speaks about navigation and your planned route.

DAY 5: Shuttle to Daun / Eifel Region / Bernkastel-Kues
This morning, shuttle (approximately 45 minutes) through the scenic Eifel Valley to the town of Daun, a spa town fed by mineral springs. Return to your bicycle here and enjoy an exhilarating ride, climbing a slight incline at first and then coasting downhill along a former railway converted into a cycling path. This exciting reel includes stretches through tunnels, over bridges, and past small lakes formed from volcanic craters known as maars. Pass stately castles, lush vineyards, green forests, and quiet villages that invite you to pause and explore.

Along the way, stop in Gillenfeld to enjoy a simple lunch hosted by Sigrid and Leo Lenerz. At their simple cozy café idyllically located in an old barn, they specialize in regional products from local producers. Later, ride back to Bernkastel, where you can relax before dinner on board.

After dinner, stroll to the fascinating wine cellar of Josef Zimmermann via an elegant district of fine Art Nouveau villas, many of which display signs proclaiming their status as a weingut, or winery estate. The simple, fourth-generation Zimmermann operation boasts a century-old cellar full of wine barrels and an inviting tasting hall. Your welcoming host will guide you through a tasting of four different wines during your visit.

From Wittlich you may shuttle back to the barge or ride flat and easy bike paths along a small river through gorgeous forest and farmlands to the Mosel River, where your barge awaits.

DAY 6: Ride to Piesport / Trittenheim / Trier
After breakfast, you cycle toward Trier, the oldest town in Germany, passing Piesport and Trittenheim along the way. Both of these winemaking villages lie on scenic hairpin turns of the Mosel. In Piesport, you will see a reconstructed Roman winepress. Stop for lunch in one of the small villages along your route, such as Neumagen-Dhron, where you witness more signs of ancient Rome. Rejoin the barge in Schweich for a leisurely cruise to Trier.

The people of Trier might tell you that it is possible to see “2,000 years of history in 2,000 paces“ in their city. The Romans established their local capital here. In the Middle Ages, Frankish kings and the archbishops of Trier reigned. Here you can learn about the Porta Nigra (“Black Gate“), a city landmark and the largest city gate of the ancient world; the amphitheater; the medieval Market Square, Germany’s oldest cathedral next to the Church of Our Lady, and Constantine’s Imperial Throne Hall. Then there’s the rococo Electoral Palace and the ruins of the Imperial Baths with their extensive subterranean passages. It is an astounding repository of history that leaves little doubt why all of Trier’s monuments have been
designated a UNESCO World Heritage site.

Tonight, your barge moors here, so you can try one of the local restaurants for dinner on your own.

Then it’s all aboard in Schweich as we all barge into Trier, the former Imperial city of Rome’s late Classical period.

DAY 7: Short train ride and cycle to Saarburg

This morning, you have time to explore Trier, with its shops and Roman history, before taking a local train to Konz, scenically situated where the Saar River flows into the Mosel. Here, you meet the barge for lunch, then set off on an afternoon reel into the Saarland along the more intimate Saar River. Wooded mountains, wide meadows, farmsteads, and villages mark your progress as you ride. Later this afternoon, you reach Saarburg, a medieval riverside jewel at the foot of a castle. The riverside ride to lovely medieval Saarburg is easy, passing fruit orchards and vineyard-clad slopes. While you wait for the barge to arrive, take the opportunity to explore the town, perhaps climbing the steps to the castle ruins. For more miles along the Saar bike path, ride up the right bank, navigate a narrow unpaved path through the forest, and cross over the big locks and bridge down the other side back to Saarburg.

DAY 8: Konz / Wasserbillig / Nittel / Remich

This morning, walk to the nearby former bell foundry and museum, Mabilon, which produced bells until 2002. Later, cycle along the banks of the Saar River to Konz, at the confluence of the Mosel and Saar rivers. Then follow the Mosel River, the natural border between Luxembourg and Germany, along an easy biking path. Soon you’ll arrive in Wasserbillig and cross the border into Luxembourg.

In Nittel, Germany, rejoin the barge for lunch. This afternoon, you can opt to continue cycling with our longer option or cruise into Remich, Luxembourg.

Our longer option follows the renowned Route du Vin, famous for its vineyards and outstanding wines, including Riesling and Cremant. After, take a private shuttle to Luxembourg City. En route, there will be a short 15-minute stop at the Luxembourg American Cemetery so you may honor those who fell here during World War II.

Check into the Hotel Le Royal, a stroll away from the main square and the Old City. The rest of your day is free to discover this fascinating capital of one of Europe’s smallest countries. Explore cobblestone-arched narrow streets and small elegant palaces such as the Palais Grand-Ducal and the Chambre des Deputies.
