DAY 1: Your VBT Vacation Begins / Optional Walking Tour of Split / Embark Yacht / Sail to Brač Island / Welcome Reception and Dinner

Meet your VBT trip leaders at the ship at 1:00 p.m. Your yacht will be moored at the St. Peter pier, next to the Jadrolinija Ferry Port in Split. Saturday departures will be operated by Alpha, while Wednesday departures will be on Futura yachts. Please note that embarkation is not permitted before this time, as the barge is being prepared for your arrival. If you prefer, you can meet your group at our pre-tour hotel in Split at 10:00 a.m., hand your luggage to your VBT trip leaders, and join a guided walking tour of the city. Your trip leaders will be wearing VBT staff garments.

After the walking tour, you will reunite with your trip leaders and walk together to the ship. In case of travel delays or changes, please contact the ship or the Heritage Hotel Fermai in Split, and the staff will relay your message to your VBT trip leaders.

Following embarkation, check into your cabin as the ship sets sail toward Brač Island. Enjoy a buffet lunch on board before participating in a safety briefing, a bike-fitting session, and a short warm-up ride upon arrival in Pučišća.

In the afternoon, visit one of the world's few remaining stonecutting schools. The stone quarried from nearby Skrip has been used in the construction of some of the world's most famous buildings, including Diocletian's Palace in Split and the White House in Washington, D.C. Renowned as one of the most beautiful Dalmatian islands, Korčula is also celebrated for its golden-hued Grk wine, produced in its sun-drenched vineyards. Your morning ride takes you through a striking landscape, with rugged karst hills on one side and the sparkling Adriatic on the other. As you climb, you’ll reach spectacular lookout points offering panoramic views of the coastline.

This fascinating town, set on a scenic promontory, was designed in a unique herringbone pattern to optimize airflow while shielding its residents from strong mistral winds during the summer. Its narrow streets are all stepped, except for the Street of Thoughts, so named because visitors can stroll without watching their footing.

This evening, enjoy dinner on your own in town. With its medieval charm, Grad Korčula—often called “mini Dubrovnik”—offers an inviting atmosphere and a wealth of excellent dining options. Your ship remains docked here for the night, allowing you to fully immerse yourself in the town’s enchanting ambiance.
