DAY 1: Begin Your Pre-Tour Extension: St. George

Your Pre-Tour Extension begins at your first hotel, Red Mountain Resort, in St. George.

The resort offers a complimentary shuttle from the St. George Airport for arrivals until 5:00 p.m. Please arrange this in advance by calling the resort. If you arrive after 5:00 p.m., taxi service is available at your own expense. Travel time to the resort is approximately 30 minutes.

Nestled in the Greater Zion region where the Colorado Plateau, Great Basin, and Mojave Desert converge, St. George offers a striking blend of natural beauty and vibrant culture. Here, dramatic red-rock mesas rise above a cosmopolitan city brimming with shops, restaurants, art galleries, theaters, and museums. With the Pine Valley Mountains providing a scenic backdrop, St. George is the perfect springboard for exploring Zion National Park and its surrounding wilderness. Your luxury accommodations at Red Mountain Resort allow you to enjoy the best of both worlds—natural serenity and urban sophistication.
