FLIGHT DAY: Depart from the United States or Canada

Your vacation is about to begin! Spend your first night aloft and arrive ready for an unforgettable trip.

ARRIVAL DAY: Arrive in Split

A VBT representative will greet you at the airport to start your adventure off right. A complimentary car service brings you to your hotel in Split. So beautiful is its seaside setting that the 3rd-century Roman Emperor Diocletian chose this place as his retirement home; remarkably, his ancient palace still plays a central role in the city's daily life, hosting shops and restaurants. There'll be time to settle into your hotel before setting out for dinner on your own, wandering the labyrinthine warrens, passageways, and courtyards.

DAY 1: VBT Bicycle Vacation begins / Sail to Vis Island / Welcome reception and dinner

This morning, join a local guide for a private walking tour of Split. This fascinating modern city grew up around the ancient palace of Emperor Diocletian. Still today, locals live and play out their lives among its millennia-old walls and gleaming white stone quarried on the nearby island of Brač, which you will be visiting later. View its highlights and see the octagonal Cathedral of Domnius.

Enjoy lunch on your own in one of Split's excellent restaurants. Then meet your VBT trip leaders in town, and walk together to the yacht to check into your cabin as the ship sets sail toward Vis Island. Enjoy a rest on board before joining a safety and bike-fitting session, as well as a short warm-up ride if time allows. Later, gather for a welcome cocktail and dinner on board.

Today's Ride Choices

Afternoon: Warm-up — 7 km (4 miles)

What to Expect:

An easy out-and-back ride along the coast outside the town of Vis, with one minor hill to climb.

Cumulative Distance Range: 7 km (4 miles)

Included Meals: Breakfast, Dinner

DAY 2: Loop island ride in Vis / Lunch in Komiža

You have the entire day to discover Vis, the farthest island from Croatia's shore inhabited by locals. The fishing heritage is rich here, as Vis has long been isolated from other sources of livelihood. Today, an active viticulture also thrives on this relaxed, low-key island. Following your first breakfast on board, pedal along on a beautiful, scenic route to the old fishing village of Komiža, set between dramatic green hills and the shimmering ocean.

Stroll the seaside promenade past the fishing museum for a glimpse of the region's rich past and seafaring ways. Enjoy a delicious lunch in one of the local restaurants, located directly at the picturesque marina. After lunch, ride back to your ship over scenic hills, taking in breathtaking Adriatic vistas. If you prefer, get a lift from the shuttle and explore the town of Vis, perhaps visiting the Notre Dame Church or strolling to admire Renaissance summer houses built by the nobility. Or walk to the nearby rocky beach for a refreshing dip in the Adriatic. This evening, enjoy dinner on board. You moor overnight in Vis.

Today's Ride Choices

Morning: Vis to Komiža – 30 km (19 miles)

Afternoon: Komiža to Vis – 11 km (7 miles)

DAY 3: Cycle Korčula Island / Visit olive farm

A three-hour sailing this morning delivers you to Vela Luka (meaning “big harbor”) on the splendid island of Korčula. Not only is this one of the most beautiful Dalmatian islands, it is also beloved for the golden-hued Grk wine produced at its vineyards. Your morning ride leads you into a stunning landscape of karst hills to one side and glittering Adriatic waters to the other. Some hill climbing brings you to spectacular lookout points. Your destination is a working olive farm, lush with gnarly olive trees that have grown here in the Adriatic sun for generations. Pause to visit with the owners and enjoy a tour of its ethnographic collection of olive presses, learning about the island’s long tradition of harvesting. Later, you stop for a traditional Croatian lunch at the family-owned Konopica restaurant. Sample the homemade Uštipci bread and enjoy a local *peka*, a traditional dish slow-cooked under a cast-iron dome-shaped baking lid.

After lunch, continue cycling to Grad Korčula, the island’s cultural center and alleged birthplace of Marco Polo. This fascinating town was laid out in a herringbone configuration on a scenic promontory. The resulting grid allows for easy air flow and protects its citizens from strong mistral winds in the warm summers. All its narrow streets are stepped, except the Street of Thoughts, so called because there’s no need to watch your footing as you stroll.

This evening, enjoy a dinner on your own in town. You’re sure to find the ideal spot in Grad Korčula, affectionately called “mini Dubrovnik” for its authentic medieval atmosphere. Your ship docks in Grad Korčula tonight.

Today's Ride Choices

Morning: Blato to lunch – 23 km (14 miles)

Afternoon: Lunch to Korčula – 22 km (14 miles)

Sail this morning to the mainland and the scenic Pelješac Peninsula. This finger of land pointing into the Adriatic has been compared to Tuscany for its wine production. Upon arrival, you join a shuttle to Donja Banda to begin a magnificent morning of cycling amid dramatic landscapes. You first stop in the village of Kuna at a donkey farm, to take some photos with the long-eared residents.

Continue to the world-famous Grgić Winery to spend an unforgettable hour enjoying a wine tasting, before returning to the ship for lunch on board.

Time to lift the anchors and set sail to one of the smaller islands near Korčula. Leave your bicycle on shore and have the afternoon at leisure to swim, paddleboard, or simply relax with a book on the sun deck. This evening, join a cooking class on board to learn from the chef how to prepare a favorite Croatian dish that you savor for dinner. You moor tonight on the anchor (weather permitting).

Today's Ride Choices

Morning: Donja Banda to Trstenik – 23 km (14 miles)

DAY 5: Ride the coast of Korčula / Sail to Hvar

This morning, enjoy a short sail toward the end of Korčula Island to Lumbarda. On this spectacular island,

you disembark for a scenic out and back ride along the breathtaking coastline, before returning to the ship to enjoy an onboard lunch.

Back on board, you cruise to Hvar. Celebrated as the most beautiful island in the world, it is a wonderland of lavender fields, fruit orchards, fragrant pine forests, and superb beaches. For now, enjoy an afternoon stroll in Hvar Town, where you moor for the night (subject to change, depending on availability).

Included Meals: Breakfast, Lunch, Dinner

DAY 6: Explore Hvar Town / Cycle to Stari Grad / Captain's farewell dinner

Disembark after breakfast for a short walk across Hvar Town, a medieval Croatian settlement with a strong Venetian influence dating to the 16th century. Take in the expanse of Saint Stephen's Square, the largest Adriatic square after Saint Mark's in Venice. And see the Arsenal, built in 1612 as Europe's oldest and perhaps smallest municipal theater.

After, ride past Hvar's stunning panoramas of fertile fields filled with flowers and herbs and dramatic, sparsely inhabited landscape crisscrossed by stone walls. You can admire views across the sea to neighboring islands and the mainland. The road into Stari Grad, a charming Dalmatian town situated at the end of a narrow bay, is a glorious four-mile (6.5 km) downhill coast. Originally founded in the fourth century BCE, Stari Grad (literally "old town") features a main square that offers a number of options for lunch on your own. Get acquainted with this gem of a town during the free time to explore on your own.

The support vehicle is available should you need assistance throughout the day.

Cumulative Distance Range: 22 – 40 km (14 – 25 miles)

Included Meals: Breakfast, Dinner

DAY 7: Cycle Brač Island / Visit stonecutting school / Sail to Split / Private farewell dinner

This morning, cruise into the beautiful bay of Pučišća. This tiny enclave on the island of Brač is considered one of the prettiest villages in Europe. Disembark here and visit one of the world's few remaining stonecutting schools. The stone that is carved here, quarried from nearby Skrip, has been used to build some of the world's most famous buildings, including Diocletian's Palace in Split and the White House in Washington, D.C. This is a unique opportunity to see students' work and learn about a near-forgotten craft.

After an enlightening visit, cycle the northern coast of the island across the 14th-century village of Postira, nestled between the ocean and hillsides. On the way, you pass centuries-old olive and pine groves. Meet your ship in Postira for lunch on board. After lunch, you sail back to Split, where your trip began.
