DAY 1: Your VBT Vacation Begins / Warm-Up Ride / Arrive in Tarvisio / Welcome Reception & Dinner

Meet your local VBT representative and your fellow travelers at our Ljubljana pre-tour hotel at 10:00 a.m. Please arrive dressed in cycling clothes and ready to bike. If you've brought your own pedals, have them ready to give to your trip leaders.

From Ljubljana, travel by private motorcoach (approximately two hours) into alpine Italy, where you'll be treated to breathtaking views of the snowcapped Julian Alps to the south and the rugged peaks of the Carnic Alps to the north. You'll meet your trip leaders in a peaceful countryside setting outside the charming hamlet of Valbruna. After an included lunch, they'll lead a safety and bike-fitting session followed by a warm-up ride. This region is especially picturesque and well-suited to gentle cycling through the scenic Canal Valley (Val Canale).

Later this afternoon, explore the main street of Tarvisio. Once a vital stop on a historic trade route through the Alps to Venice, Tarvisio remains a cultural crossroads where Italian, Slovenian, and Austrian influences converge. Perhaps treat yourself to a classic Italian gelato or browse the town's inviting shops.

Your accommodations for the next two nights are at Hotel Edelhof, a cozy, family-run inn nestled between forested hills and the heart of Tarvisio—an ideal base for enjoying all this alpine town has to offer.

This evening, gather with your fellow travelers for a welcome reception and a delicious dinner prepared by your hotel's owner.

Take in sweeping mountain views, serene forest landscapes, and striking rock faces as you coast downhill on a secondary road to the village of Valbruna. For those seeking more, an optional extension leads farther into the upper Saisera Valley, revealing even more breathtaking alpine scenery. Rejoin the main route in the valley to ride a portion of the world-renowned Alpe Adria Bike Path, pausing to explore Camporosso—one of the region’s oldest villages. DAY 2: Cycle the Alpe Adria Bike Path / Visit Venzone / Wine Tasting

Today, you’ll have the opportunity to experience the renowned Alpe Adria Bike Path, which allows cycling enthusiasts to ride from Salzburg through the Alps all the way to the Adriatic Sea. Your route follows a recently paved rail trail downhill from Tarvisio to Venzone, at times passing through old mountain tunnels that open onto stunning views of the Val Canale.

You’ll often glimpse the River Fella, a tributary of the Tagliamento. Pause in the small town of Pontebba, located at the confluence of the Fella and Pontebbana creeks. During World War II, Pontebba’s railway line was heavily bombed, as it served as a vital German supply route to Italy. Along the way, you’ll enjoy a scenic ride and stop for a delicious local lunch.

Later, shuttle to the old town of Venzone, beautifully restored to its medieval splendor and declared a national monument. The town’s reconstruction includes the Cathedral of St. Andrea, which houses the mysterious Chapel of St. Michele and its famous mummies, preserved naturally since 1647. These bodies were so well maintained that some families periodically retrieved them to commune with ancestors. Venzone is also known for its lavender shops.

Return by shuttle to your inn in Tarvisio and enjoy some time to relax. This evening, join your trip leader for an Italian wine tasting with a local wine expert. For dinner, explore one of Tarvisio’s inviting local restaurants on your own.
