DAY 1: Begin Post-Trip Extension

Fly from George to Johannesburg, where you will spend the night at our airport-area hotel. Upon your arrival at O.R. Tambo International Airport, Johannesburg, walk to your hotel for the night, located within the airport. Check in and relax.

DAY 2: Travel to Victoria Falls / Continue your Post-Trip Extension

After breakfast, return on your own to the domestic terminal in the Johannesburg airport. It will take about 10-15 minutes to walk from your hotel. Once there, catch your flight (one hour and 45 minutes) to Victoria Falls airport. On arrival, travel by van to the lodge (approximately 25 minutes), check in, and relax.

Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860s. The falls and the surrounding area have been declared National Parks and a UNESCO World Heritage site, thus preserving the area from excessive commercialization. The falls are spectacular throughout the year. February onward, after the rainy season, has the heaviest flow of water and volume of spray.

You'll want to take a walk down to the falls for a look (about a 10-minute walk from the hotel and a US \$30 entrance fee). Then, you'll have time to plan your visit or get started on one of the many activities available, which can be reserved upon arrival at the hotel (at your own cost).

DAY 3: Continue your Post-Trip Extension

After a delicious included breakfast at your hotel, you are free to continue exploring on your own, using our included city information packet to guide your discoveries.

DEPARTURE DAY: Departure

Enjoy a final included breakfast on the hotel's terrace accompanied by the sound of the falls, perhaps while watching the warthogs. Complimentary transportation to the Victoria Falls airport will be provided (an approximately 20-minute drive, depending on traffic) for your departing flight via Johannesburg.
