In the late afternoon, join your fellow travelers at the nearby Vintner's Collective for a private wine tasting. The tasting room, housed in a Historic Landmark, is a showcase for 18 of the region's premier family-owned wineries. Continue to dinner on your own at one of Napa's many restaurants.

DAY 3: Carneros / Sonoma / Bodega Bay

This morning's ride leads to the Carneros region, a viticultural district known for cooler-climate varietals and sparkling wines. The grapes benefit from ocean breezes, allowing the grapes to ripen more slowly. Before they were laced with vineyards, these Carneros (sheep) hills were once grazing pastures.

Arriving by bike to the picturesque town of Sonoma, enjoy an included tasting of family-produced olive oils and vinegars with our friend Frank Figone. There is time for lunch on your own at one of the eateries on the historic plaza—the largest in the state. Afterward, board a shuttle for the 60-minute drive to Bodega Bay.

Today's Ride Choices

Morning: Napa to Sonoma – 20 miles

Leaving Napa this morning, you ride west to Sonoma. Today's ride is mostly on back roads. The VBT

support vehicle is available to flatten the few rolling hills. After lunch on your own in Sonoma, the group boards a shuttle to Bodega Bay.

DAY 4: Armstrong Redwoods / Healdsburg

This morning's ride offers beautiful views of the Pacific Ocean, following the coastline for ten miles before turning inland to Guerneville and Armstrong Redwoods State Natural Reserve. Here, gather for a picnic lunch under the magnificent canopy of the Sequoia sempervirens or coastal redwood. The world's tallest trees live 500-2,000 years, reaching heights of 350 feet.

After lunch, continue by bike or shuttle toward your hotel in downtown Healdsburg. Along the way you may choose to visit family-owned Gracianna Winery for an optional tasting. Once in Healdsburg, you'll have time to settle in and explore town. This vibrant destination is known for its historic Spanish Colonial plaza. Today's Ride Choices

Morning: Bodega Bay to Armstrong Redwoods – 27 miles

Afternoon: Armstrong Redwoods to Healdsburg – 21 miles

What to Expect:

Today you cycle along the famous Pacific Coast Highway with breathtaking ocean vistas. Then you will head inland to ride among the coastal redwood trees following the Russian River. The morning ride ends in Armstrong Redwoods State Natural Reserve where your trip leaders prepare a picnic lunch. If you wish, after lunch continue cycling through redwood forests and into the Russian River Valley where pinot noir is king!

Cumulative Distance Range: 21 – 48 miles

Included Meals: Breakfast, Lunch

DAY 5: Alexander Valley / Healdsburg

Today takes you on a ride through the kingdom of pinot noir in Alexander Valley. The valley is sheltered from the Pacific Ocean by low-lying hills. Because of this, it is one of the warmest areas in Northern California during the day, but at night the temperatures lower significantly, offering cool climate conditions for the grapes. The valley's closeness to the Russian River allows for an early morning fog that covers the lower vineyard areas until it is burned off by the sun. This natural air-conditioning allows the grapes to develop full-flavor maturity over an extended growing season—often 15 to 20 percent longer than neighboring areas.

You'll also ride the Geyserville and Lytton Springs roads within Alexander Valley. Along the way, you might take advantage of optional stops at tasting rooms, including the Coppola Winery—a one-of-a-kind experience.

All cycling finishes before lunch, which is on your own in Healdsburg. Take advantage of free time to swim or paddle in the river at Veterans Memorial Beach, or to take a dip in your inn's pool.

Tonight, enjoy a farewell dinner in a memorable setting and make a toast alongside your fellow travelers to your California wine country bike tour.

Today's Ride Choices

Morning: Alexander Valley — 23 miles

What to Expect:

You can look forward to a gentle ride through pinot noir country. You will cycle the beautiful West Dry Creek and Dry Creek roads, followed by Geyserville and Alexander Valley, passing through some of the most famous California vineyards, with optional fun tasting stops along the way.

All of the cycling today takes place before lunch (on your own) in Healdsburg, where you have the chance to explore local shops, hang out by the pool, or go on another bike ride.

Cumulative Distance Range: 23 miles

Included Meals: Breakfast, Dinner

DAY 6: Cycle Dry Creek Valley / VBT Bicycle Vacation ends

Your California wine country bike tour ends with one final scenic journey. Today's route takes you through the Dry Creek Valley, a beautiful, winding landscape with a unique microclimate filled with an unusual mix of plant life, from redwood groves to live oak forests—even palm trees and cactus dot the landscape. Along the way, a couple notable wineries may interest you: Everett Ridge or Quivira Biodynamic Winery.

Return to your inn for a shower and lunch before your shuttle to San Francisco International Airport at 2:00 p.m. We recommend a flight out of San Francisco no earlier than 6:00 p.m.

(If you have customized your itinerary and don't have a flight departing on this day, VBT has not arranged your transportation.)

If you drove to the start of the tour, the VBT van will take you to meet your vehicle.

**VBT transportation times and departure points are finalized in advance and cannot be modified for individual guests.
