DAY 1: Depart home / Fly overnight to Amsterdam

Depart home for The Netherlands. The particulars of your arrival overseas are detailed with your flight itinerary.

DAY 2: Arrive in Amsterdam

Upon arrival at the Amsterdam airport, claim your luggage and clear customs. If any portion of your luggage appears to be lost, fill in a PIR form before leaving the customs area — VBT representatives are not allowed into the customs area. (Please note: Also make certain your VBT luggage tags are affixed to your bag so your VBT representative can identify you.)

After exiting customs, enter the arrival hall and look for your VBT representative, who will be holding a VBT sign. Please wait here while your representative helps make arrangements for your transfer via taxi or minibus to your Amsterdam hotel (transfer time is approximately 20 minutes, depending on traffic).

Important: Transfers are provided by Schiphol Taxi, who will be looking for you and carrying a VBT sign. You may be approached by other companies offering a transfer. Please use only Schiphol Taxi, telephone +31 654 354 601 or +31 681 299 101. Transfers provided by any other company will be at your own expense.

Note: If you cannot find the VBT representative, or have been delayed in customs because of lost luggage or another reason, please follow the signs and wait at the Meeting Point in the main arrival hall. The Meeting Point is across from Burger King and in between the entrances to train platforms 3/4 and 5/6. You can also go to one of the yellow information desks in the main hall and ask if they will telephone Schiphol Taxi (using the number above) on your behalf.

Please note: Hotel check-in time is 3:00 p.m., but the staff will do their best to get you to your room as soon as possible. When you have checked into your hotel, you have the rest of the day to relax or to begin your exploration of the city. VBT provides you with City Information that includes recommendations on what to see and do in Amsterdam.

Try one of Amsterdam's wonderful restaurants for dinner on your own.

Accommodation: Mercure Hotel Amsterdam Centre Canal District, Amsterdam

Included Meals: Breakfast

Please note: Mercure Hotel Amsterdam Centre Canal District is a cash-free hotel, so any extras must be paid by credit or debit card.

DAY 3: Embark barge / Cruise to Vianen

After breakfast, make sure your luggage is packed and ready to be transported to the barge. At 9:30 a.m., meet one of your VBT trip leaders in the hotel lobby for a transfer walk to the barge, passing some of the city's highlights and taking some free time for lunch on your own. You will board the barge at 1:45 p.m. and depart at 2:00 p.m. At the docks, meet the barge crew and your second VBT trip leader, who will welcome you aboard with refreshments. Cruise out of Amsterdam on the IJ waterway, catching glimpses of houseboats and floating houses.

You will dock before dinner for our warm-up ride, which follows the river Vecht. This evening, gather with the group for a welcome dinner on board. You moor overnight in Vianen, a small city on the river Lek.

Please note regarding WiFi on board the barge: Due to the nature of the barge movements, Internet access is not always available. If stable Internet access is critical to you, VBT recommends that you purchase your own bundle before traveling overseas.

Please note regarding Ride with GPS: Due to the limited WiFi on board, VBT also recommends downloading your VBT Maps & Route Notes from a WiFi zone prior to arrival on the barge if you wish to use Ride with GPS on your smartphone. During your vacation, you will be able to follow these route notes on your smartphone with turn-by-turn voice navigation as you ride. This option is in addition to VBT's traditional printed maps and route notes available on tour.

DAY 4: Cycle to Kinderdijk / Cruise to Dordrecht

After breakfast, cycle along the small canals of the rural region of Krimpenerwaard. You will trace the route of the river Lek through Schoonhoven, known as the "Silver City" for its long silversmithing tradition. From Schoonhoven, you'll cross the River Lek by ferry. The route continues to Nieuwpoort town and into the Alblasserwaard Polder. This is mainly dairy farming and pasture land with black-and-white Frisian cows and variety of water fowl. Your fietspad continues through Kinderdijk amid the country's largest collection of traditional windmills.

DAY 5: Cruise to Willemstad / Cycle to Tholen

This morning, enjoy a short language lesson while sailing to Willemstad, an old fortified town on the Haringvliet. Its massive walls were laid out in the shape of a seven-pointed star, each rampart named for one the seven provinces of the Republic of United Netherlands. Enjoy time at leisure here to explore.

Then cycle to Tholen, once an island in the middle of the large Zeeland streams where many people fished for a living. Today, it is connected to the mainland, but it remains a picturesque village with relics of an eventful past. Pedal through its quiet farmlands, and pause for a picnic lunch at historic locks before arriving in Tholen. Here, you will rejoin the barge and enjoy dinner on board. Afterward, we've invited for some local families to meet you at the barge and accompany you back to their homes for an evening of camaraderie and cultural exchange.

He was the world's premier geographer in the 16th century and created both the terrestrial and celestial globes. Continue on to the city of Temse, once a trading center. The second part of the ride is most scenic, crossing the river three times, then over the Temse Bridge to ride on the Scheldt Dike to the Mariekerke ferry. Dendermonde is reached by another huge bridge.

DAY 8: Tour Ghent

After breakfast, cycle from Dendermonde to Ghent. Located at the confluence of the Scheldt and Leie rivers, this "City of 200 Bridges" was founded around 600 AD and boasts many beautiful buildings dating to medieval times, when the textile industry brought great wealth to Ghent's merchants.

After a leisurely lunch on board the barge, embark a local boat for an excursion into the center of Ghent with a guide. You'll also have time to explore this attractive medieval canal city on your own. Many old patrician houses have been preserved in the city center. One historic building is the 1425 Cloth Makers' Hall, where textile merchants met and traded. In the afternoon, you will visit Ghent.

DAY 9: Arrive in Bruges

During breakfast, your barge cruises to Bruges. The barge will briefly dock farther along the waterway at Aalter Bridge, where the day's cycling begins. The barge rejoins the main canal and meets us all in Bruges in the late afternoon. Alternately, if you have chosen the longer ride option, you will cycle to Bruges with an extra countryside ride via Damme.

Regarded by many as Europe's best-preserved medieval city, Bruges is laced by a network of canals lined by beautiful houses built by wealthy textile merchants. A 350-foot (106.7-meter), 13th-century belfry tower, which houses Europe's most famous carillon, presides over the city's Market Square.
