DAY 1: VBT Bicycling Vacation begins / Travel to Parrina / Warm-up ride / Welcome reception and dinner

After an included breakfast, meet your VBT representative at the hotel in Orvieto at 10:00 a.m.

Transportation by motorcoach (approximately two hours) will be provided to Antica Fattoria La Parrina. Note that you will walk approximately .5 mile from the hotel to the motorcoach, as large vehicles are not allowed to circulate in the old town. Arrive at La Parrina by approximately 1:00 p.m. There you can purchase your lunch (for €15), as the hotel will prepare a buffet meal with organic vegetables and cheese produced on the grounds. If you prefer, buy lunch in Orvieto before meeting the VBT representative, and eat it at La Parrina.

Your Tuscany bike tours begin at Antica Fattoria La Parrina, a welcoming, four-star *agriturismo* resort, featured in *Condé Nast Traveler* magazine. Surrounded by beautiful countryside, it produces its own wine, cheese, yogurt, vegetables, oil, balsamic vinegar and flowers. Organic pasta, delicious jams and sauces, and cosmetics are also partly prepared and available here. All products are made with natural and healthy ingredients. In the afternoon, you'll join our trip leaders for a safety and bike-fitting session, followed by a short warm-up ride over the estate along quiet country roads. Later, gather with the group for a welcome cocktail reception on the terrace. Dinner is at the hotel.

DAY 2: Cycle by the Maremma Park / Talamone / Cooking class

After breakfast, you'll leave La Parrina and cycle to the coast and Talamone, where you'll discover the many Greek legends linked to this little fortress village. There'll be time during the morning's ride to swim in the glittering blue sea. The medieval hilltop town of Talamone overlooks the Mediterranean and is set in the rolling countryside of the Maremma, one of the least-developed areas of central Italy. Its skyline is dominated by an ancient Sienese castle. This little town of fishermen originally stood on Talamonaccio Hill and served as an ancient Etruscan port. Currently, Talamone is set inside a World Wildlife Fund nature reserve known as Parco Regionale della Maremma (Maremma Park), which features an incredible variety of protected flora and fauna. Lunch today is a delicious picnic prepared by your trip leaders.

In the afternoon, you'll cycle back to your hotel, where you can relax at the wonderful pool or take a walk on the mapped trails that weave through the estate. Or you may opt for horseback riding in the area, well known for its local breed of Maremma horses. Your tour leaders will facilitate your option and you will need to call in advance to book.

Today's Tuscany bike tours culminates with a special treat. Tonight, join your hosts at La Parrina on the terrace for a hands-on cooking class. Learn how to prepare typical Tuscan *cantucci*—delicious almond cookies that are best when dipped in sweet Vin Santo wine. Enjoy dinner at the hotel.

On your way back to Giglio Porto, stop for a gelato before ferrying back to the mainland.

Explore the town's winding cobblestone streets, medieval churches, and shops. Finish your day with a rewarding ride all the way back to the hotel. If you prefer, you may hop our shuttle.

Back at the hotel this afternoon, relax or swim in the pool before sipping local wines—produced right on the farm—during an included wine tasting.
