### DAY 1: Independent exploration of San Sebastián

Our hotel's location allows multiple options for exploring San Sebastián on foot. You may want to venture inland to what is considered the "romantic area" of San Sebastián. Cross the Santa Catalina Bridge, walk along the Paseo de Francia with its stately French-style mansions and enjoy the elegant Cristina-Enea Park. You may also enjoy the Bilbao Square, with its circular shape breaking away from the more rationalistic side streets. No matter which neighborhood you choose to wander around, you will not be disappointed by San Sebastián architecture. Lunch and dinner are on your own tonight.

### DAY 2: Independent exploration of San Sebastián

Continue your exploration of San Sebastián with a tour of its museums. The San Telmo Museum located in the Old Town is housed in a 16th-century convent. This building has been transformed into the current Museum of Basque Society and Citizenship with a look at the Basque culture through its archaeological, ethnographic and artistic collections along with audiovisual features of today's top Basque creators. The Palacio del Mar or Aquarium is one of the most modern in Europe and may be of interest for marine enthusiasts.

This evening enjoy your last night in the Basque Country with a celebratory dinner at one of San Sebastián's superb gastronomic restaurants.
