### DAY 1: Independent exploration of Split

Now a modern port city, Split boasts an Old Town center that retains its historic charm. The center grew up around the Emperor Diocletian's vast palace, which remains one of the largest and best-preserved examples of palatial architecture from the Roman period. Visit the medieval Brace Radica Square in the southwest corner of the palace: its tall Marina Tower, built by the Venetians in the second half of the 15th century, is all that remains of the imposing castle. When you're ready for a rest, head to Split's Riva promenade to sip coffee, grab an ice cream and enjoy the view.

### DAY 2: Independent exploration of Split

Today is yours to further explore Split or take a day trip to one of many Dalmatian Islands such as Korcula, thought to be the birthplace of Marco Polo. You may also opt to visit Plitvice Lakes National Park, which was granted UNESCO World Heritage status in 1979. The beauty of the park lies in its 16 lakes, inter-connected by a series of waterfalls and set in deep woodland.
