ARRIVAL DAY: Arrive in Lisbon

DAY 1: Évora

Please have your luggage outside your room by 8:15 a.m. Make sure you have your VBT luggage tags on your bags. After an included breakfast, meet your VBT representative in the lobby of your hotel at 9:00 a.m. Please be dressed in your riding attire.

Your VBT representative will accompany you by shuttle (approximately 1.25 minutes) to join your VBT trip leaders. You depart Lisbon via the expansive Vasco de Gama Bridge, the longest bridge in Western Europe, spanning the mighty Tagus River. Heading east, you arrive on the scenic plains of the Alentejo region, known for its stunning vistas and abundant cork and olive groves. Meet your VBT trip leaders for a bike-fitting and safety session. Afterwards, get to know your fellow travelers over lunch before departing on what is arguably the finest among Portugal bike tours. A warm-up ride traverses this scenic region of rustic farmland and gentle hills, delivering you to your hotel outside of the historic medieval town of Évora, a UNESCO World Heritage site.

Your accommodation for the next two nights is in the historic Convento do Espinheiro Historic Hotel & Spa. Many important noble figures have met here throughout the centuries to shape Portugal's history, earning this 15th-century convent a place as a national monument.

This evening, join the hotel's sommelier in the Convent's wine cellar to sample some of the region's wines

before enjoying a sumptuous welcome dinner in the historic dining room.

DAY 2: Historic Villages of Redondo and Monsaraz / Walking tour of Évora

After breakfast, shuttle from your hotel to the whitewashed town of Redondo, home to a 500-year-old Portuguese pottery tradition. From here you begin with a picturesque ride across the plains of Alentejo, following scenic country roads bordered by cork forests. Our destination looms in the distance: hilltop Monsaraz, one of Portugal's oldest settlements, and its imposing castle. Enthusiastic riders may enjoy the climb into town; the VBT support vehicle will be available to shuttle you from Aldeia de Venda to Monsaraz if you need assistance or would like more time to explore Monsaraz.

With its lofty locale, Monsaraz enjoys endless vistas of the Alentejo and neighboring Spain. As you explore its narrow warrens and admire its whitewashed, red-roofed houses, there'll be time to marvel at the remarkable view of the Alqueva Dam and the second-largest artificial lake in Europe. Enjoy lunch at a local café before shuttling back to your hotel.

Later, you venture into Évora to meet a local guide for an enriching walking tour of this magnificently preserved UNESCO World Heritage site. Stop by the São Francisco Church to view its eerie Chapel of Bones, constructed by 16th-century Franciscan monks. Wandering atmospheric alleyways past old patrician mansions and whitewashed houses with bright yellow trim. Enjoy dinner on your own in Évora

Our ride consists of some short inclines and rolling hills, but the VBT support vehicle will be nearby if you opt to shuttle at any point. At the end of the short option in the town of Aldeia de Venda, our shuttle provides transportation to the historic village of Monsaraz, where you have ample time to explore prior to lunch. DAY 3: Baixo Alentejo Region / Mértola

After breakfast, shuttle south to the small town of Castro Verde in the lower Alentejo region, or Baixo Alentejo. For lunch, you stop at a typical Portuguese rural café for a farm-fresh meal with warm, welcoming hosts. After, shuttle or ride to the remarkable fortified hilltop town of Mértola and your hotel.

After settling into your accommodations, join a local guide for a fascinating exploration of Mértola. This town's rich history dates all the way back to the Phoenicians, Carthaginians, and Romans. Its most important remnant from the 500-year Moorish occupation is the medieval mosque, the only mosque from this period to have survived in Portugal. Today it is Mértola's main church, though it boasts many of its original Moorish features. This evening, dine at your leisure in one of the town's inviting restaurants.

Today's Ride Choices

DAY 4: Parque Natural do Vale do Guadiana / Guadiana River Cruise

After breakfast, set out directly from your hotel. (Those preferring a shorter option shuttle 15 minutes to the starting point of their ride instead.) Your morning cycling leads you into the Guadiana Valley Natural Park, one of 30 natural areas in Portugal officially protected by the government. Wind your way through small towns of beautifully preserved traditional architecture and coast down to the banks of the Guadiana River. The river's small port village of Pomarão was specially constructed for nearby mining operations. Here you may straddle the Portugal/Spain border with a foot in each country and half your body in Spain's later time zone!

Savor lunch in a riverside café overlooking the marina. Then embark a privately chartered boat for a relaxing afternoon on the Guadiana River. Your cruise delivers you right to your hotel dock in Mértola. Those seeking a longer ride and more challenging option after lunch may forfeit the boat excursion and cycle back to the hotel.

This evening, enjoy an al fresco dinner at your hotel overlooking the Guadiana River, weather permitting.

The morning ride takes you on small paved country roads through the less-traveled Guadiana Valley Natural Park. Although this morning's ride is shorter than those on other days, you will have some rolling hills to challenge you and a rather steep decline for the last two kilometers to the Guadiana River. After lunch, if you opt to ride back to the hotel and forfeit the boat excursion, the ride begins with a challenging two-kilometer climb that will reward you with bragging rights and stunning views. The last five kilometers into Mértola are on a national road that you share with fast-moving traffic and trucks. The VBT support vehicle is available throughout the day.

Today's lovely ride crosses a plateau of farmlands and quiet roads before descending to Alcoutim, a small port by the Guadiana River. After a delicious lunch and quick visit of this quaint little village, you'll continue cycling along the scenic Portugal river banks while enjoying stunning views of Spain across the river.

After, you shuttle approximately one hour to your lovely accommodations in the Algarve, the Vila Monte Farm House, and settle in to one of its breezy, elegant suites. Along the way we will stop to visit the Monterosa olive groves for some olive tasting and learn more about the production of olive oil. Next we cycle to the small Algarve city of Tavira with its medieval castle. Spend time exploring the sites and enjoy lunch in one of the many lively cafés at your leisure. After lunch continue pedaling to the lovely whitewashed village of Cacela-a-Velha, perched on top of a hill with a view to the easternmost lagoon of the Formosa River. The village is home to the Fortaleza de Cacela located on the site of the original castle constructed during the Muslim period. Spend time exploring the village before shuttling to your resort for a late afternoon at leisure, taking advantage of the property's pools or spa.

This evening, join your fellow travelers and trip leaders to reminisce about your Portugal bike tour and adventures during a fireside farewell reception, followed by a delightful dinner of regional Algarve cuisine made with the freshest of ingredients paired with local wines.
