DAY 1: Depart from home / Fly overnight to Spain

Depart from home and travel to Spain. The particulars of your arrival overseas are detailed with your flight itinerary.

DAY 2: Arrive in San Sebastián

Upon arrival at Bilbao's airport, claim your luggage and clear customs. If your luggage is lost, fill in a PIR form before leaving the customs area: VBT representatives are not allowed into the customs area. Please

make certain that your VBT luggage tags are affixed to your bag so your VBT representative can identify you. After exiting customs, enter the arrival hall and look for your VBT representative who will be holding a VBT sign and will make arrangements for your transfer via car or van to your San Sebastián hotel (transfer time is approximately 90 minutes, depending on traffic).

The rest of the day is free to settle in and explore the city. VBT provides you with City Information that includes recommendations on what to see and do in San Sebastián during your stay. Dinner tonight is on your own in this gastronomic haven; based on Michelin stars per capita, San Sebastián ranks second among the world's best dining cities.

Please note: If you arrive early, your hotel room may not be available until 3:00 p.m. You may store your luggage at the reception desk while you explore.

Hotel: Hotel de Londres y de Inglaterra

DAY 3: VBT Bicycle Vacation begins / Warm-up ride / Welcome Reception & Dinner

Meet your VBT local guide in the lobby of your San Sebastián hotel at 8:45 a.m. Please be dressed in your biking garments as you will have a warm-up ride after meeting your Trip Leaders later this morning.

Shuttle from the scenic coast to the verdant inland hills of the Basque region. Your local guide will introduce you to Basque history and culture during your one-hour transfer to a small mountain hamlet in the Navarre region of Spain. Here you will meet your Trip Leaders, who host an overview of your upcoming week and a safety and bike-fitting session. During a warm-up ride, you will mostly coast downhill on quiet country roads that traverse lovely pasture lands. Take a break at the small 13th-century Romanesque Church of Santiago de Itxasperi, a stopping point on the world-renowned Way of St. James pilgrimage. Continue your spin through the scenic Larraun & Araquil River valleys until you reach the convergence of these two rivers in the quaint town of Irurtzun, situated at the foot of rugged hills.

Enjoy lunch on your own in this scenic setting before shuttling to our hotel in the nearby city of Pamplona—capital of the Navarre Region and infamous for its annual Festival of San Fermín and the Running of the Bulls event. Spend the remainder of the afternoon relaxing in an inviting café; your hotel is conveniently located on Pamplona's main town square of Plaza Castillo.

Tonight, gather with your Trip Leaders and travel mates for a welcome reception at our historic hotel, one of Spain's oldest. Many celebrities such as Orson Welles, Charlie Chaplin, and Ernest Hemingway have

resided at this 5-star property. After, you venture out for an evening stroll, following in the footsteps of the brave daredevils who have run with the bulls. Enjoy a delicious and festive dinner at a nearby restaurant.

Note: for guests staying at the alternate hotel Pamplona Cathedral Hotel – your welcome reception will be at your hotel, followed by dinner at a nearby restaurant.

DAY 4: Pamplona bike paths / Explore Pamplona

This morning, enjoy a short walk through Pamplona, passing its ancient walls to the starting point of today's loop rides. Extensive bike paths thread their way through the city and into the surrounding countryside. Pedal along an easy path tracing the Ulzama River before cycling into rolling hills. As you gain elevation, lovely views of Pamplona stretch before you. Soon, you will follow small country roads through fertile farmlands. Today's journey delivers you to typical small Navarre towns such as Orrio and Cildoz before looping back to Pamplona. Our longer option leads further into the countryside and over rolling hills before circling back to the city. For lunch on your own today, you may stop in one of the small country towns or find a spot in Pamplona. The remainder of your afternoon and evening are free.

Pamplona's cuisine is among the most tantalizing in Europe. Since you are here on a Thursday night, you may partake in the city's weekly *juevintxo*. Weekly, many of the small cafés and bars offer a glass of wine or beer with a *pintxo*, a small appetizer, for only 2 euros. Some of Pamplona's best *pintxo* bars are on Calle Estafeta behind your hotel and Calle San Nicolás near the Plaza del Castillo, where your hotel is located. This is a unique and mouthwatering opportunity to dine as a local, sampling a *pintxo* with a glass of house wine or a *caña*, a small house beer on tap.

DAY 5: Laguardia / Wine Tasting in a medieval cellar

After breakfast, shuttle approximately two hours to the Rioja wine region. In a small hilltop village, begin the day's ride with an invigorating downhill coast to the valley below. Along the way you may stop to explore one of Spain's largest and best-preserved dolmens, or prehistoric burial sites: La Chabola de la Hechicera (The Witch's Hut). Located within a thriving vineyard, it comprises three large stones holding up a larger stone like a tabletop. Ponder its meaning as you take in magnificent views of the valley and the distant Sierra Cantabria mountain range. Continue cycling through vineyards and up some challenging hills before you arrive in the hilltop fortified town of Laguardia.

The pedestrian-only medieval town is remarkably preserved and surrounded by rugged mountain ranges. There'll be time to explore by foot and to enjoy lunch on your own. Later, meet your Trip Leaders at one of Laguardia's few remaining working wine cellars. The San Pedro family has been producing wines here for over 500 years. Their traditional winery, housed in one of the town's numerous underground tunnels, is 300 years old. Learn about the family's age-old wine-making traditions and savor the opportunity to taste from some of their finest bottles.

Later this afternoon, shuttle to the charming town of Ezcaray, our home for the next two nights. This red-roofed village, a gem of La Rioja, is nestled in the vivid green Oja Valley. The San Lorenzo peak soars into the sky nearby, host to ski resorts. Our Relais & Chateaux hotel is centrally located for easy exploration. Dinner is at your leisure at one of the nearby restaurants.

DAY 6: Oja Valley / Ezcaray / Michelin-star inspired dinner

Enjoy the pace of an easy uphill climb as spectacular vistas unfold around you: Alpine panoramas unfurl to beautiful meadows and pasturelands. You may return to the hotel after a short loop or opt for a more challenging ride to the nearby ski resort of Valdezcaray. This ascent of about 8.5 miles showcases the beauty and vastness of the Oja. Once at the top, take time to linger, then thrill to a rewarding downhill spin. Enjoy lunch on your own in Ezcaray this afternoon. Shoppers may visit the boutiques specializing in haute-couture mohair scarfs, clothing and cashmere blankets.

This evening, join your Trip Leaders for a delicious dinner in the hotel's paradise of gastronomy inspired

by the hotel's owner and Michelin-star chef.

DAY 7: Santo Domingo de la Calzada / Camino de Santiago / Haro winery / Vineyard lunch and wine tasting

After another hearty breakfast, cycle out of the Oja Valley along an easy bike path tracing the banks of the river that gives its name to this region of Spain—La Rio Oja. Your scenic route leads you to the Camino de Santiago pilgrimage town of Santo Domingo de la Calzada, situated on the river's banks. In town, you will follow a segment of the French Way, part of the Way of St. James popular among those who walk the path from France, passing pilgrims with their scallop shells, the symbol of St. James. After, ride tree-lined country roads through the village of Banares with its beautiful 12th-century church, historic Casalarreina, and tiny Cihuri with its ancient Roman bridge. Your morning ride concludes in the 10th-century town of Haro, home to Rioja's best bodegas, or wine houses. Visit one of the most renowned for a tasting, then savor a special private lunch in the middle of a nearby vineyard.

After lunch, you may continue cycling to the neighboring village of Briñas, a small jewel dating to Roman times, and our next hotel on the banks of the Ebro River. If you prefer, you may shuttle here.

This evening dine on your own at the hotel or at one of the village's cafés. Or venture into nearby Haro to sample one of its numerous restaurants.

DAY 8: Ebro River Valley / Picnic lunch in a cuadrilla caseta / Farewell dinner

After breakfast, enjoy a scenic shuttle into the nearby hills. This morning's downhill reels will refresh and revitalize while our uphill climbs will reward you with majestic views of the Ebro River Valley. Later, you will coast into these flat farmlands that are fed by the second longest river on the Iberian Peninsula.

Our destination is in the foothills above Miranda de Ebro. This city is best known for the festivities of San

Juan del Monte which date back to the Middle Ages. Organized by the Brotherhood of San Juan del Monte and various cuadrillas—or groups of Basque friends—the events have long drawn pilgrims from all over Spain and beyond. Some of the participating cuadrillas have built casetas, or huts, in the forests below the summit of San Juan del Monte, and they are the venue for our delectable picnic lunch today, prepared by your Trip Leaders. Later, those wishing for more riding challenges may pedal a portion of the route to the San Juan del Monte summit, following the path of the annual Vuelta a Burgos cycling competition. Alternately, coast downhill back to your hotel.

This evening, your small group gathers on the hotel's terrace (weather permitting) or in the wine cellar for a tasting of other Rioja wines. After, join your Trip Leaders for a festive farewell dinner and sample some more of the wines and wonderful culinary delights of La Rioja.
