DAY 2: Kelheim / Danube Bike Path / Cycle to Regensburg

Enjoy a relaxing breakfast this morning as we sail downstream towards Regensburg. En route, you disembark in Kelheim, a small Bavarian town near the picturesque Danube Gorge, a narrow stretch lined with cliff walls.

We depart Kelheim, cycling along the scenic Danube banks. Following the Danube Bike Path, our ride is easy, mostly car-free, and scenic. This is the famous EuroVelo 6, which traverses 10 countries while traveling 2,270 miles from the Atlantic Ocean in France to the Black Sea at Constanta. The EV6 includes the Danube Bike Path, the most popular cycling holiday destination in Europe. Stop to enjoy a Bavarian lunch. Weather-permitting, take in the view from tables in the garden.

Rejoin your ship in Regensburg in the early afternoon. As you'll see on approach, Regensburg is an imposing town of red-roof houses at the convergence of the Danube and Regen rivers. Its 12th-century stone bridge features 16 arches spanning the Danube and reaching into the Old Town. Join a local guide for a walking tour, gaining insight into the town's medieval history.

A traditional local band performance on deck greets you back on board. There'll be time to relax a while

before the Captain's Welcome Cocktail and Gala. With its regional specialties, tonight's dinner completes the day's immersion into all things Bavaria! Sail for Passau tonight.

DAY 3: Passau / Ferry to Schlögen / Cycle to Aschach / Linz

Arrive in Passau during breakfast. There'll be free time to explore its splendid Gothic and Baroque charms on your own. If you wish, you may stretch your legs with a hike to the hilltop pilgrimage church of Pauliner Kloster Mariahilf. You may access it directly from the Innstadt district via the "heavenly ladder" of 321 canopied steps. From the monastery grounds, enjoy sweeping views of Passau.

In the late morning, enjoy an informative walking tour with a local guide through this scenic "City of Three Rivers" at the confluence of the Danube, Inn, and Ilz. Our walk concludes back at the docks. From here, set off along the Danube onboard a local touring boat, entering Austria's famous Schlägener Schlinge, where the river winds through steep, forested mountains in a series of sharp and scenic bends. After a couple of hours of scenic cruising, arrive in Schlögen. (Note: On October departures, cruising is not available on this stretch of the river and our mode of transport will be a motor coach.)

Your bicycles are waiting for you here, ready for your afternoon reel toward Aschach through a beautiful forest. You follow the Danube bike route on a leisurely ride before shuttling the short distance to Linz, Austria, home of the Linzer torte, the oldest cake in the world, and an impressive repository of well-preserved medieval, neoclassical, neo-Baroque, and neo-Renaissance buildings.

Our river ship arrives in Linz late this afternoon, just as we are arriving. There'll be time to relax in your cabin before dinner and evening activities on board.

DAY 4: Melk / Cycle through The Wachau Valley / Weissenkirchen / Dürnstein

Our ship is moored in Melk, Austria, when you wake. After breakfast, join a shuttle to the spectacular

Benedictine Abbey of Melk, perched on a scenic bluff, where a local guide introduces us to one of Europe's largest Baroque monasteries. After touring its magnificent rooms, you may stroll the gardens before returning to the ship for lunch.

Later, cycle through what is perhaps the most beautiful stretch on the Danube, the Wachau Valley, Austria's celebrated wine-growing region. The "Wachau Cultural Landscape" was recognized as a UNESCO World Heritage Site in 2000. As for its physical landscape, it is blessed with lush vineyards and hillside orchards set among ruined castles, churches and abbeys. There are few places that match the Wachau for its striking beauty and rich viniculture. You will ride through the scenic hamlets of Spitz and Wiessenkirchen, nestled between the Danube and its rising banks, reeling into Dürnstein, a center of Wachau wine production. Admire its stunning powder-blue bell tower soaring above red roofs. A cliffside castle, which once held Richard the Lionheart captive, watches over the scenic town.

Rejoin your ship here late this afternoon and perhaps join a guided hike to Dürnstein Castle. Later, enjoy time to relax prior to dinner. This evening, you set a course for Vienna.

DAY 5: Ride along the Donauinsel / Explore Vienna

Our ship is in Vienna from very early this morning until very late tonight, making it a convenient base for exploring Austria's glorious capital.

Vienna is renowned as one of Europe's most cycle-friendly cities, so you will make use of its abundant bike paths and bike lanes. From your ship, the morning 'extra' ride is an out and back along the Danube to the village of Klosterneuburg, known for its imposing Monastery.

After lunch on board, you ride through the edge of the city and along the Donauinsel, or Danube Island, a 13-mile-long strip where scenic vistas and quiet riding add to your Vienna discoveries. Or, explore Vienna on your own, pursuing your own whims and interests. Home to Strauss, Beethoven, and Mahler, the gracious boulevards of Vienna are awash in culture and elegance. Head to the Ringstrasse, the circular avenue that replaced its demolished medieval wall, to marvel at the city's most breathtaking architecture, from the gleaming Imperial Palace and St. Stephen's Cathedral to the famed Vienna State Opera. And be sure to take a break in one of the city's famed coffee houses to experience Viennese café culture

firsthand.

In the late afternoon, you are invited to join an optional excursion to the Belvedere, an elegant series of Baroque buildings built in the early 18th century as the summer residences of Prince Eugene of Savoy. The complex includes two palaces; the upper one holds Austria's single greatest collection of art, including the largest collection by Gustav Klimt. The private event is available only to those on our ship, and transportation is included in the price. Booking details will be provided with your final documents.

This evening, join an optional excursion to a special Viennese Evening Concert, featuring music of Strauss and Mozart. The private event is available only to those on our ship, and transportation is included in the price. Booking details will be provided with your final documents.

Mid-morning, you pedal out of town, crossing the Danube by way of the "UFO" bridge, and traverse the forests and meadows of the Danube-Auen National Park, one of the largest remaining floodplains of the Danube. Arrive in Hainburg, a small town on the Austrian bank where Joseph Haydn studied music as a young boy.. After a picnic lunch, arrive at Schloss Hof, the "hunting lodge" of Prince Eugene of Savoy. A guided visit introduces the lodge and the estate. You're invited to roam the splendid gardens and castle. . Mid-afternoon, transfer back to Slovakia and to our awaiting ship.

Our destination is the charming town of Szentendre, a delightful artists' community brimming with galleries and workshops. But first, stop to explore the Hungarian Open Air Museum, dedicated to the folk architecture, culture and lifestyle of Hungary in eight regional units on 150 acres. Continue riding at your leisure into Szentendre, where you'll have some free time to browse the galleries and shops. Your Trip Leaders will introduce you to their favorite Hungarian specialties during lunch at a popular restaurant. Return to Budapest from Szentendre much faster than you got here: by way of a high-speed water taxi.

If you seek time away from your bike today, you may begin your guided explorations with your choice of tours: Explore Budapest as a whole, taking in the major sites of the Buda and Pest sides of the Danube, or walk up the slopes of the right bank for up-close views of Castle Hill and the Old Town, where Fisherman's Bastion provides magnificent views of the city and the elegant Chain Bridge that spans the river.
