At 1:45 p.m., meet your trip leaders and fellow travelers on board for introductions and a safety and bike-fitting session, followed by a warm-up ride on a local bike path along the Main-Danube Canal. Later, enjoy a welcome dinner on board. The ship sails for Regensburg this evening.

From Kelheim, cycle along the scenic Danube banks. Following the Danube Bike Path, our scenic ride is easy and mostly car-free. This is the famous EuroVelo 6, or EV6, which traverses 10 countries and 2,270 miles from the Atlantic Ocean in France to the Black Sea at Constanta. The EV6 makes a Danube cycle and river cruise of this caliber possible as it includes the Danube Bike Path, the most popular cycling holiday destination in Europe. Stop to enjoy a Bavarian lunch. Weather-permitting, take in the view from tables in the garden.

Rejoin your ship in Regensburg in the early afternoon. As you'll see on approach, Regensburg is an imposing town of red-roof houses at the convergence of the Danube and Regen rivers. Later, cycle through what is perhaps the most beautiful stretch on the Danube, the Wachau Valley, Austria's celebrated wine-growing region. The "Wachau Cultural Landscape" was recognized as a UNESCO World Heritage site in 2000. As for its physical landscape, it is blessed with lush vineyards and hillside orchards set among castle ruins, churches, and abbeys. Few places match the Wachau for its striking beauty and rich viniculture. Ride through the scenic hamlets of Spitz and Weissenkirchen, nestled between the Danube and its rising banks, reeling into Dürnstein, a center of Wachau wine production. Our ship is in Vienna from very early this morning until very late tonight, so you will have a convenient base from which to explore Austria's glorious capital.

After breakfast, disembark for an orientation to the city on foot with your trip leader. You'll find an unusual mix of 20th-century Communist-era architecture, Baroque palaces, medieval spires, and the narrowest house in Europe—all overlooked from a hillside by the rectangular white castle and watchtowers of the Bratislava Castle.

Mid-morning, you pedal out of town, crossing the Danube by way of the "UFO" bridge, and traverse the forests and meadows of the Danube-Auen National Park, one of the largest remaining floodplains of the Danube. Arrive in Hainburg, a small town on the Austrian bank where Joseph Haydn studied music as a young boy. After a picnic lunch, arrive at Schloss Hof, the "hunting lodge" of Prince Eugene of Savoy. favorite Hungarian specialties during lunch at a popular restaurant. Return to Budapest from Szentendre much faster than you got here: by way of a high-speed water taxi. If you seek time away from your bike today, you may begin your guided explorations with your choice of tours: Explore Budapest as a whole, taking in the major sites of the Buda and Pest sides of the Danube, or walk up the slopes of the right bank for up-close views of Castle Hill and the Old Town, where Fisherman's Bastion provides magnificent views of the city and the elegant Chain Bridge that spans the river.
