The ship docks are located outside the town center of Nuremberg. As the exact location of the ship may change, please call the ship on your arrival in Nuremberg for directions.

Unusually, Nuremberg's cruise dock is located four miles from the city's train station and downtown. Taxis and buses are available for those who would like to head into town to explore or enjoy a traditional German lunch of bratwurst and beer.

At 1:45 p.m., meet your trip leaders and fellow travelers on board for introductions and a safety and bike-fitting session, followed by a warm-up ride on a local bike path along the Main-Danube Canal. Later, enjoy a welcome dinner on board. The ship sails for Regensburg this evening.

Please note regarding WiFi on board the ship: Due to the nature of the ship movements, internet access is not always available. If stable internet access is critical to you, VBT recommends that you purchase your own bundle before traveling overseas.

Please note regarding Ride with GPS: There is limited WiFi on board. If you wish to use Ride With GPS on your smartphone, VBT also recommends that you download your VBT Maps & Route Notes from a WiFi zone prior to arrival on the boat.
