### DAY 1: Independent exploration of Budapest

Today, continue to explore Budapest on your own during your independent trip extension.

This cosmopolitan city offers very different experiences on each bank of the Danube, and a wealth of historic and cultural treasures. Upon arrival at your hotel, you will have received a complimentary two-day public transportation pass, sure to make exploring easy.

Outside your hotel on the Pest side of the river, uncover the history, art, and archaeology of Hungary at the National Museum. Visit the magnificent St. Stephen's Cathedral, named for the first king of Hungary, whose right hand is said to be in the reliquary.

Take in the grand Heroes' Square. Or browse the many stalls and food offerings of Market Hall, the city's largest indoor market. Across the river on the Buda side, you might explore the vibrant Castle District, a UNESCO World Heritage site perched some 550 feet above the Danube. In the Old Town, you can view the Gothic Buda Castle and explore narrow medieval streets and squares, browsing shops and sampling Hungarian specialties at cafés. Head over to Fisherman's Bastion for sweeping, panoramic views of the ornate Parliament Building, the iconic Chain Bridge, and the rest of the city.

The only city in the world with thermal springs within town, Budapest boasts about a dozen spas, gathering places for locals to "take the waters" and catch up on family gossip. Your hotel can help you find the one that suits you.
