Should you arrive late, please plan to go directly to the ship, which is in port overnight and until mid-day on the following day. Please note that you cannot embark before 12:30 p.m., as the ship is being prepared for you.

The ship will be docked at Batthyany Pier, on the Buda side of the river, directly across from the Parliament building. As the exact location of the ship may change, please call the ship on your arrival in Budapest for directions.

A welcome dinner in the ship's Reflections Restaurant and traditional Hungarian folklore performances are in store this evening.

Please note regarding WiFi on board the ship: Due to the nature of the ship movements, Internet access is not always available. If stable Internet access is critical to you, VBT recommends that you purchase your own bundle before traveling overseas.

Please note regarding Ride with GPS: There is limited WiFi on board. If you wish to use Ride with GPS on

your smartphone, VBT recommends that you download your VBT Maps & Route Notes from a WiFi zone prior to arrival on the ship. During your vacation, you will be able to follow these route notes on your smartphone with turn-by-turn voice navigation as you ride. As always, VBT also provides our traditional printed maps and route notes during the tour.

DAY 2: Transfer to Vac / Danube Bend / Visegrad

Shuttle to the Baroque city of Vac to begin today's ride on the famous EuroVelo 6, or EV6, which traverses 10 countries and 2,270 miles (3,653 km) from the Atlantic Ocean in France to the Black Sea at Constanta. The EV6 makes a bike and boat on the Danube of this caliber possible, as it includes the Danube Bike Path, the most popular cycling vacation destination in Europe.

You'll trace the famous Danube Bike Path along the left bank of the river and admire views of the Danube Bend, where the river curves around forested hills dotted with picturesque villages. It is considered one of the most scenic stretches of the river. Pause for a picnic lunch, then ferry to Szob, where you are welcome to shuttle or cycle along country roads to Visegrad, the former medieval capital of Hungary.

Admire views of ancient ramparts, castles, and the river, as well as time at leisure to explore. Afterwards you are invited to participate in a Knights' Tournament organized by the Saint George Knightly Order. During the performance, you will have the opportunity to familiarize yourself with medieval weapons, while the more adventurous among you may try to shoot with arrows, throw stars, or a *kelevéz* (a Hungarian lance). You're sure to enjoy this historic reenactment in the old fortress.

DAY 3: Bratislava / Donau-Auen National Park / Hainburg

Awake this morning in Bratislava, the riverside capital of Slovakia and the only capital to border two other nations. After breakfast, disembark for an orientation walking tour with your trip leader. You'll find an

unusual mix of 20th-century Communist-era architecture, Baroque palaces, medieval spires, and the narrowest house in Europe—all overlooked from a hillside by the rectangular white castle and watchtowers of Bratislava Castle.

Mid-morning, you pedal out of town, crossing the Danube by way of the “UFO” bridge, and traverse the forests and meadows of Danube-Auen National Park, one of the largest remaining floodplains of the Danube. Arrive in Hainburg, a small town on the Austrian bank, where Joseph Haydn studied music as a young boy. After a delicious lunch in a local restaurant, arrive at Schloss Hof, the “hunting lodge” of Prince Eugene of Savoy. A guided visit introduces the lodge and the estate. You’re invited to roam the splendid gardens and castle.

Mid-afternoon, transfer back to Slovakia and to your waiting ship. Alternatively, you can choose to cycle back along the other side of the river, though the small village of Devin, famous for its castle.

DAY 4: Ride along the Donauinsel / Explore Vienna

Your ship is in Vienna from very early this morning until very late tonight, so you will have a convenient base from which to explore Austria’s glorious capital.

Vienna is renowned as one of Europe’s most cycle-friendly cities, so you can make use of its abundant bike paths and bike lanes. This morning, you might opt for an out-and-back ride along the Danube to the

village of Klosterneuburg, known for its imposing monastery.

After lunch on board, your bike ride leads to the edge of the city and along the Donauinsel, or Danube Island, a 13-mile (21km) strip where scenic vistas and quiet riding add to your Vienna discoveries.

Or explore Vienna on your own, pursuing your own whims and interests in the city of Strauss, Beethoven, and Mahler. The gracious boulevards of Vienna are awash in culture and elegance. Head to the Ringstrasse, the circular avenue that replaced the city's demolished medieval wall, to marvel at the breathtaking architecture from the gleaming Imperial Palace and St. Stephen's Cathedral to the famed Vienna State Opera. And be sure to take a break in one of the city's famed coffee houses to experience Viennese café culture firsthand.

This evening, you are invited to join the Viennese Evening Concert excursion, featuring the music of Strauss and Mozart. This private event is available only to those on our ship.

DAY 5: Dürnstein / Cycle through The Wachau Valley / Melk

Your ship is moored in Dürnstein, Austria, when you awake. The town is a center of Wachau wine production. Admire its stunning powder-blue bell tower soaring above red roofs. A cliffside castle, which once held Richard the Lionheart captive, watches over the scenic town, and you may choose to take the short hike up for the views after breakfast.

Later this morning, cycle through what is perhaps the most beautiful stretch of the Danube, the Wachau Valley, Austria's celebrated wine-growing region. The "Wachau Cultural Landscape" was recognized as a UNESCO World Heritage site in 2000. As for its physical landscape, it is blessed with lush vineyards and hillside orchards set among castle ruins, churches, and abbeys. Few places match the Wachau for its striking beauty and rich viniculture. Ride through the scenic hamlets of Spitz and Wiessenkirchen, nestled between the Danube and its rising banks.

On arrival in Melk, celebrate the ride over a lunch of Austrian specialties. Afterward, you can continue cycling along the river on a loop ride, or go for a short walk.

After rejoining the ship in Melk, you'll board a short shuttle to the city's spectacular Benedictine Abbey, perched on a scenic bluff. Here, a local guide introduces you to one of Europe's largest Baroque monasteries. Enjoy a tour of its magnificent rooms and gardens, before getting back onboard.

Upon returning to the ship, you'll have time to relax before dinner on board. This afternoon, the ship charts a course for Engelhartszell and Passau.

DAY 6: Engelhartszell / Cycle to Aschach an der Donau / Passau

Your bicycle is waiting for you in Engelhartszell, where you disembark after your breakfast to start your ride. This morning's route to Aschach an der Donau passes through a beautiful forest. Follow the Danube bike path on a leisurely ride after leaving Austria's famous Schlägener Schlinge, where the river winds through steep, forested mountains in a series of sharp and scenic bends.

Upon arrival in Aschach and lunch in a local café and bakery, a short shuttle takes you to Passau, the scenic “City of Three Rivers” at the confluence of the Danube, Inn, and Ilz. Here, you’ll join an informative walking tour with a local guide, followed by free time to explore.

Afterward, you may join an optional hike to Veste Oberhaus, Passau’s famous castle on the other side of the river. Reboard the ship late afternoon and set sail for Regensburg. Enjoy a Captain’s Gala Dinner and evening activities on board.

DAY 7: Regensburg / Danube Bike Path / Cycle to Kelheim

As you’ll see when you awake, Regensburg is an imposing town of red-roof houses at the convergence of the Danube and Regen rivers. Its 12th-century stone bridge features 16 arches spanning the Danube and reaching into the Old Town. Join a local guide for a walking tour, gaining insight into the town’s medieval history.

Then, from Regensburg, cycle along the scenic Danube banks. Following the Danube Bike Path, your scenic ride continues to be easy and mostly car-free.

Rejoin the ship in Kelheim, a small Bavarian town with medieval city gates and whimsical renaissance façades. Enjoy the music of a traditional Bavarian band on board, as the ship sails for Nuremberg.

The short option ends at Kapfelberg, with a shuttle on to Kelheim to meet the ship. The long option is a ship-to-ship ride. Today is the only day with significant sections of packed gravel (about 60%). Almost the entire ride is on vehicle-free bike paths.
