What to Expect

This tour features a combination of hard-packed trails and easy terrain, mixed with moderate hills and uneven footpaths. On rainy days the footpaths and trails can be wet and muddy. Our VBT van is available at specific meeting points for those who would like assistance. Both morning and afternoon walking options are available most days. Ideal for enthusiastic beginners and experienced walkers. Several of the walks require a transfer from the hotel to the start of the walk. Our Trip Leaders often use this time in the van for a morning route review so you can enjoy a more leisurely morning at breakfast.

DAY 1: Depart from home / Fly to Calgary

Depart from home for Calgary, Alberta, Canada. Upon arrival at the Calgary International Airport (YYC), claim your luggage and clear customs. Make certain your VBT luggage tags are clearly visible so that our VBT representative can identify you. If your luggage is lost, file a claim with your airline's luggage service before leaving the customs area counter. VBT representatives are not allowed into the customs area.

After exiting customs, enter the arrival hall and look for your VBT representative, who will be holding a sign with your name. He or she will walk you to your arranged transfer, which will depart from the Arrivals level. The transfer to your centrally located hotel is a journey of approximately 20 minutes.

DAY 2: VBT Walking Vacation begins / Transfer to Banff / Warm-Up Walk

VBT Air Package guests: After a leisurely breakfast, you will have the morning to visit a few more sites in Calgary, perhaps strolling the cobbled streets of Stephen Avenue, lined with historic buildings and shops. Then dress for walking and meet your VBT Trip Leaders and the rest of the group at 12:30 p.m. in the lobby of your hotel. Your VBT Trip Leaders will be at the hotel starting at 12:00 p.m., available to answer

any questions before the start of the tour. They will be holding a VBT sign and easy to recognize. Please plan to have or buy some lunch before you leave. Please come dressed for walking (with your day pack, water bottle, and your luggage), as there will be no place to change into hiking clothes before beginning the warm-up walk. Your transfer time to Banff is two hours.

Once you arrive in Banff with your Trip Leaders, they will conduct a safety and walking pole fitting session, followed by a warm-up walk at Lake Minnewanka. The longest lake in the Rockies, its name translates into “water of the spirits” in the First Nations Nakoda language. As you follow its pathways along the glassy-surfaced lake, marvel at your first up-close views of Banff National Park, a stunning canvas of spruce and fir trees and rugged peaks skirted by pine-green forest.

Tonight, enjoy a welcome reception followed by dinner in Banff.

DAY 3: Banff National Park / Sunshine Village

Here, you will ascend the summit by gondola and chairlift, admiring sweeping views. At the top, take time to marvel at Banff’s magnificent Sunshine Meadows, a vast natural garden set in an enormous valley surrounded by breathtaking peaks. Admire its riot of colorful wildflowers, rolling green slopes and glistening lakes. During your visit to the summit, learn about the vegetation and ecosystem from your Trip Leaders of this fascinating world above the tree line. You will have an opportunity to hike one of the ridgeline trails, a thrilling preview of more magnificent landscapes to follow throughout your walking vacation. Enjoy a picnic lunch prepared by your Trip Leaders on top of the world, with stunning views of the pyramidal Mount Assiniboine. Nicknamed the “Matterhorn of the Rockies” for its resemblance to the Swiss peak, it is the highest mountain in the southern range of the Canadian Rockies.

Please note: For all guests on our June departures, we will hike to Stanley Glacier instead of Sunshine Meadows as the gondola and shuttle bus service to Sunshine Meadows do not operate in June. Located in Kootenay National Park, this easy half-day outing runs from the Vermillion River to a rockbound hanging valley containing Stanley Glacier. The hike is very rewarding in the early summer when wildflowers blanket the trailside and numerous waterfalls and avalanches tumble off Stanley Peak’s

northeast face.

Return to Banff for an historical walking tour and enjoy free time to browse the shops or to visit the Whyte Museum to learn about the cultural heritage of the Canadian Rockies. Tonight, your Trip Leaders will provide recommendations for dinner on your own.

DAY 4: Lake Louise / Plain of Six Glaciers

Awake to the cool mountain air and another full breakfast. After, shuttle to Lake Louise, sure to nourish your body and soul amidst majestic natural beauty. This is one of the most famous lakes in the world, renowned for its magnificent setting. The glacier-fed waters were named for Princess Louise Caroline Alberta, the fourth daughter of Queen Victoria.

Begin your walk on the Plain of Six Glaciers trail, one of the most scenic hikes in the Canadian Rockies. With each footfall, you head deeper into a landscape of glaciated mountains and rugged scree fields, passing white rivers flowing with glacial dust that empty into Lake Louise and lend it its magical aura. The trail offers expansive views of the impressive mountains surrounding Lake Louise, including Mount Lefroy and Mount Victoria. You will also have sweeping view of Victoria Glacier. After your steady hike up, enjoy a trail (box) lunch near the historic Plain of Six Glaciers Teahouse. This charming stopover was built by Swiss guides for the Canadian Pacific Railway to serve mountaineers continuing to surrounding mountains. Today it offers a rustic setting and a welcome respite for national park hikers. You may opt to treat yourself to a sweet dessert and tea before heading back down, where you may add a hike to a nearby talus slope (built up from rocky debris that has sloughed off from mountainsides) for breathtaking vistas.

Alternately, take a shorter walk on the Lake Louise Lakeshore, a broad flat trail with ever-changing views of great peaks. Afterwards, opt for a paddle in a rental canoe on the turquoise waters or enjoy tea at the chateau.

After your dream day at iconic Lake Louise, you will shuttle to Golden, British Columbia's "Kicking Horse Country," crossing the great Continental Divide en route. Your home for the next two nights is the Palliser

Lodge. Tonight, you will gather for dinner at the 3-Diamond Cedar House Restaurant, named one of the "Top 50 Places to Eat in Canada" for over ten consecutive years by the National Restaurant Guide. It will be a meal well deserved

DAY 5: Hike Kicking Horse Mountain Ridge / Golden

Golden lies at a breathtaking confluence of natural wonders, making it a hiker's paradise. Nestled in the Rocky Mountain Trench, it spreads out where the Columbia and Kicking Horse rivers meet. Three different mountain ranges surround the town and five National Parks are visible from the heights of the summit of Kicking Horse Resort.

After breakfast, you will walk from our lodge to the Golden Eagle Express Gondola for a swift ride to the summit of Kicking Horse (elevation 7,700 ft. / 2,347 m). Enjoy endless sweeping views as you begin a walk along the Canadian Pacific Railway (CPR) Ridge, following Terminator Ridge over some loose rock and well-traveled rocky trails. Terminator Ridge reaches out onto a massive promontory that parallels the path of the gondola. The beauty of much of today's ridge walk is the 360-degree view it affords, giving you a full appreciation for the untouched beauty of Canada's wilderness. Everywhere you look, the vast valley stretches to the imposing wall of the Canadian Rockies and the Columbia River slices a path past forest, farmland and small towns.

When you pause to rest, you may ponder the idea that five National Parks are visible from these spectacular heights: Glacier, Yoho, Banff, Kootenay, and even Jasper. After a rewarding walk, enjoy your trail (box) lunch.

After lunch, continue your ridge walk in the opposite direction. Later, head down for an optional trip to the town of Golden to explore its afternoon farmer's market, shop or enjoy a flight of tasters at the Whitetooth Brewing Company.

Tonight, your Trip Leaders will provide recommendations for dinner on your own in the town of Golden and they will provide shuttles.

Afterward, transfer to Emerald Lake, the largest of Yoho’s 61 lakes and ponds. Tumbling creeks, bracing mountains and clean air make it a paradise for hikers and you will have the chance for a leisurely walk here before a picnic lunch.

After lunch, transfer to Mount Engadine Lodge in pristine Spray Valley Provincial Park. This hidden gem is surrounded by untouched wilderness in Kananaskis Country. Stretch your legs on the Rummel Lake trail to the Spray Lake reservoir viewpoint or settle in at the lodge and enjoy afternoon high tea.
